## Tombow #SharingArtMatters

### Creativity = Self-Expression

At Tombow we believe everyone is creative and should share their unique creative style with the world. We want you to let go of comparison or worries that your art isn't good enough, because your voice and your art matters.

### Share it with the world

We hope you'll put your creativity to use to infuse positivity into your community by leaving a piece of uplifting art in a public place for someone to find. Snap a photo where you leave your art and tag it with #SharingArtMatters on social media to help the movement grow. We can't wait to see your work, and hope to find out why Sharing Art Matters to you.
